It may not have changed. I have just heard that someone is opposing it. It seemed fairly benign. We voted to support and that holds until we hear something that would cause us to rehear.

I did not realize the project had changed. We can ask Eric about it. I'm sure he is aware.

Hi Maria,

We saw this presentation a very long time ago. At the time, it seemed fairly simple, if not a bit out of character for the area. The Board voted approval of the CUB at that time. Since then, I understand that there have been changes in the intent and that many persons are concerned about the venue.

I would like to know what those concerns are. Is it necessary for us to reevaluate?

Thank you,  
Patti
